Power, Precision, and Versatility—All in One Compact Sander

Meet the 1SMVP: Your Workshop's New MVP

Whether you're sharpening blades, deburring metal, or smoothing wood, the Kalamazoo Industries 1SMVP 1" x 42" Multi-Position Belt Sander is engineered to deliver professional-grade results—right from your workbench.

Key Features:

- ✓ Multi-Position Sanding Head: Work vertically, horizontally, or anywhere in between.
- ✓ 1/3 HP Motor: Delivers consistent power at 1800 SFPM.
- ✓ Adjustable Steel Work Table: Tilts from 0° to 45° for precision control.
- ✓ Compact Footprint: Fits easily on any benchtop—ideal for small shops and tight spaces.
- ✓ Adjustable sanding head for multiple positions
- ✓ Made in the USA: Built tough with all-steel construction.

Built for Flexibility

From fine detailing to aggressive material removal, the 1SMVP handles it all:

- Blade sharpening
- Rust removal
- Material blending
- Flatwork and contour sanding
