## **DCV-4 Vacuum Maintenance Check List**

Properly maintaining your vacuum will keep this equipment function correctly for many years. Below is a list of items that you will need to do to keep it functioning. These tasks should be performed monthly (depending on usage of the machine).

## **DCV-4 Vacuum Check List**

- Thoroughly clean vacuum weekly (more if there is heavy use).
- Replace cloth filter bag often. If using this machine to sand more than one material change before switching materials, so you don't start a fire.
- Thoroughly clean vacuum and replace cloth filter bag when switching materials so a fire isn't started.
- Replacement cloth filter part number is **5X878.**

## **Sign Off Sheet**

We would recommend that you sign and date the sheet ever time the machine is clean.
