

KALAMAZOO **INDUSTRIES, INC.**

Kalamazoo S4SWB Wet Belt Sander

Precision. Power. Performance.

The Kalamazoo S4SWB Wet Belt Sander is engineered for high-quality sanding and finishing applications. Designed for durability and precision, this industrial-grade sander is perfect for metalworking, fabrication, and maintenance shops.

Key Features:

- Heavy-duty 4" x 36" wet belt for superior finish
- 1/2HP 1PH 115V TEFC motor.
- Stainless steel construction for corrosion resistance
- Adjustable belt tension and tracking
- Integrated coolant system for reduced heat and improved finish.
- Easy belt replacement for minimal downtime
- Powerful motor for consistent performance

Ideal For:

- Metal fabrication shops
- Tool and die makers
- Maintenance departments
- Educational institutions
- Prototype development
- Metallurgical Labs
